City of Edmonton at BQCL

In 2016, the EFCL received a Recreation and Physical Activity Project Grant from [Alberta Culture and Tourism](#) to promote walking programs in community leagues. Through this grant, the EFCL supported 20 community leagues in launching urban poling sessions – a walking workout with poles.

The EFCL continues to build leadership and capacity in community league members interested in starting or improving a walking program in their neighbourhood.

Our community walking training sessions are over for the year. Check back in 2019. Sessions will be posted on our [Seminars/Workshops](#) page.
